

SHIZUOKA MASJID

Building House of Allah in the hearts of Japan

Building House of Islam in the hearts of Japan

“Shizuoka Masjid” project is not only a religious center, but also a cultural, educational, and social hub that will benefit both the Muslim community and the Japanese society.

The Masjid will become a platform to create social impact in its society and to showcase the unique fusion of the beauty of Islam and Japanese arts & technologies.

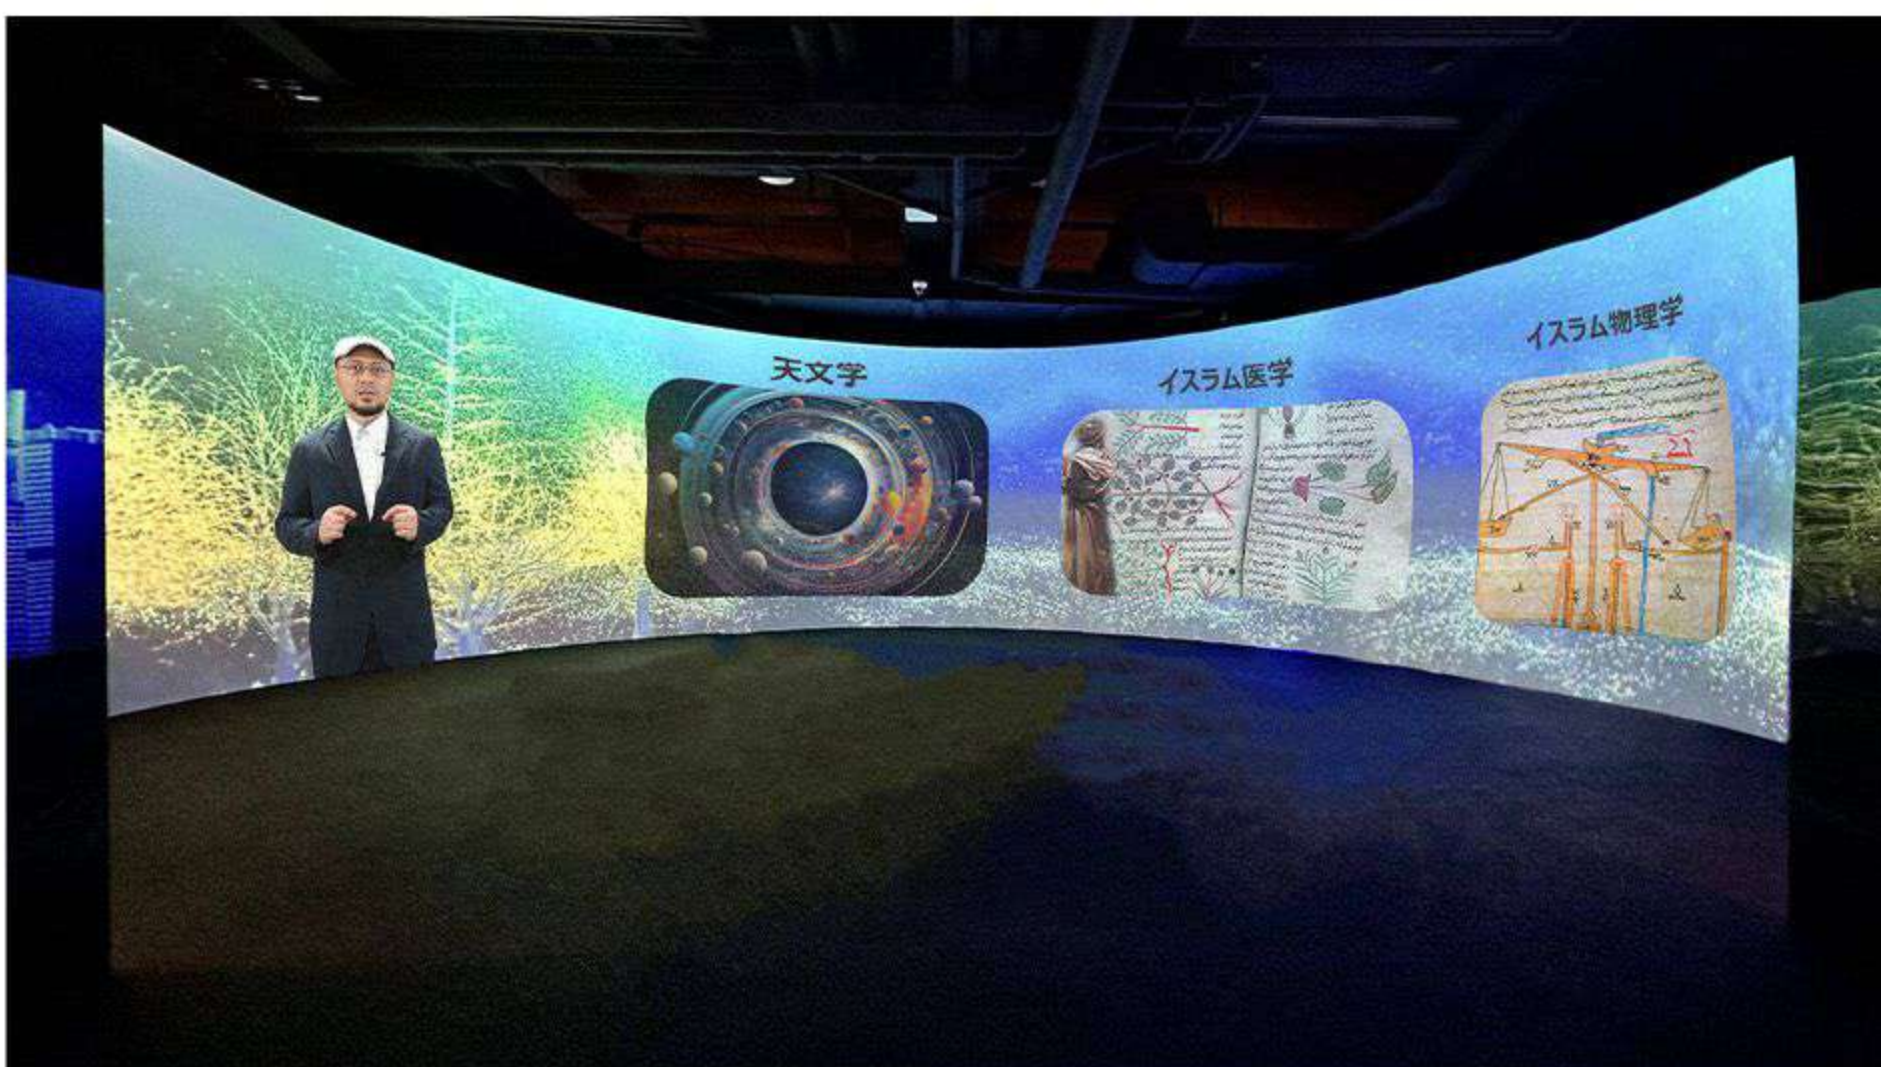

UNIQUENESS

Environmental Impact: The future model of Masjid with latest ecological technologies

Mt. Fuji: The symbolic icon of Japan will become the iconic view from the Masjid

Islamic Cultural Heritage:

Exhibitions, festivals, lectures & library will be creating the most attractive gate for Japanese public to reach

Muslim Youth Center: Offering attractive programs and facilities to get youth more involved with Masjid

OBJECTIVE:

To provide a place of worship for Muslims in Shizuoka city and nearby areas with a Muslim population of 3,000 and more.

To offer educational and social environment where Muslims and non-Muslims can learn and interact through Qur'an/Arabic classes, charity, sports, arts and cultural events.

To become a safe place of community where people can share the message of Islam, promote interfaith dialogue, and contribute to the peace and harmony of the society.

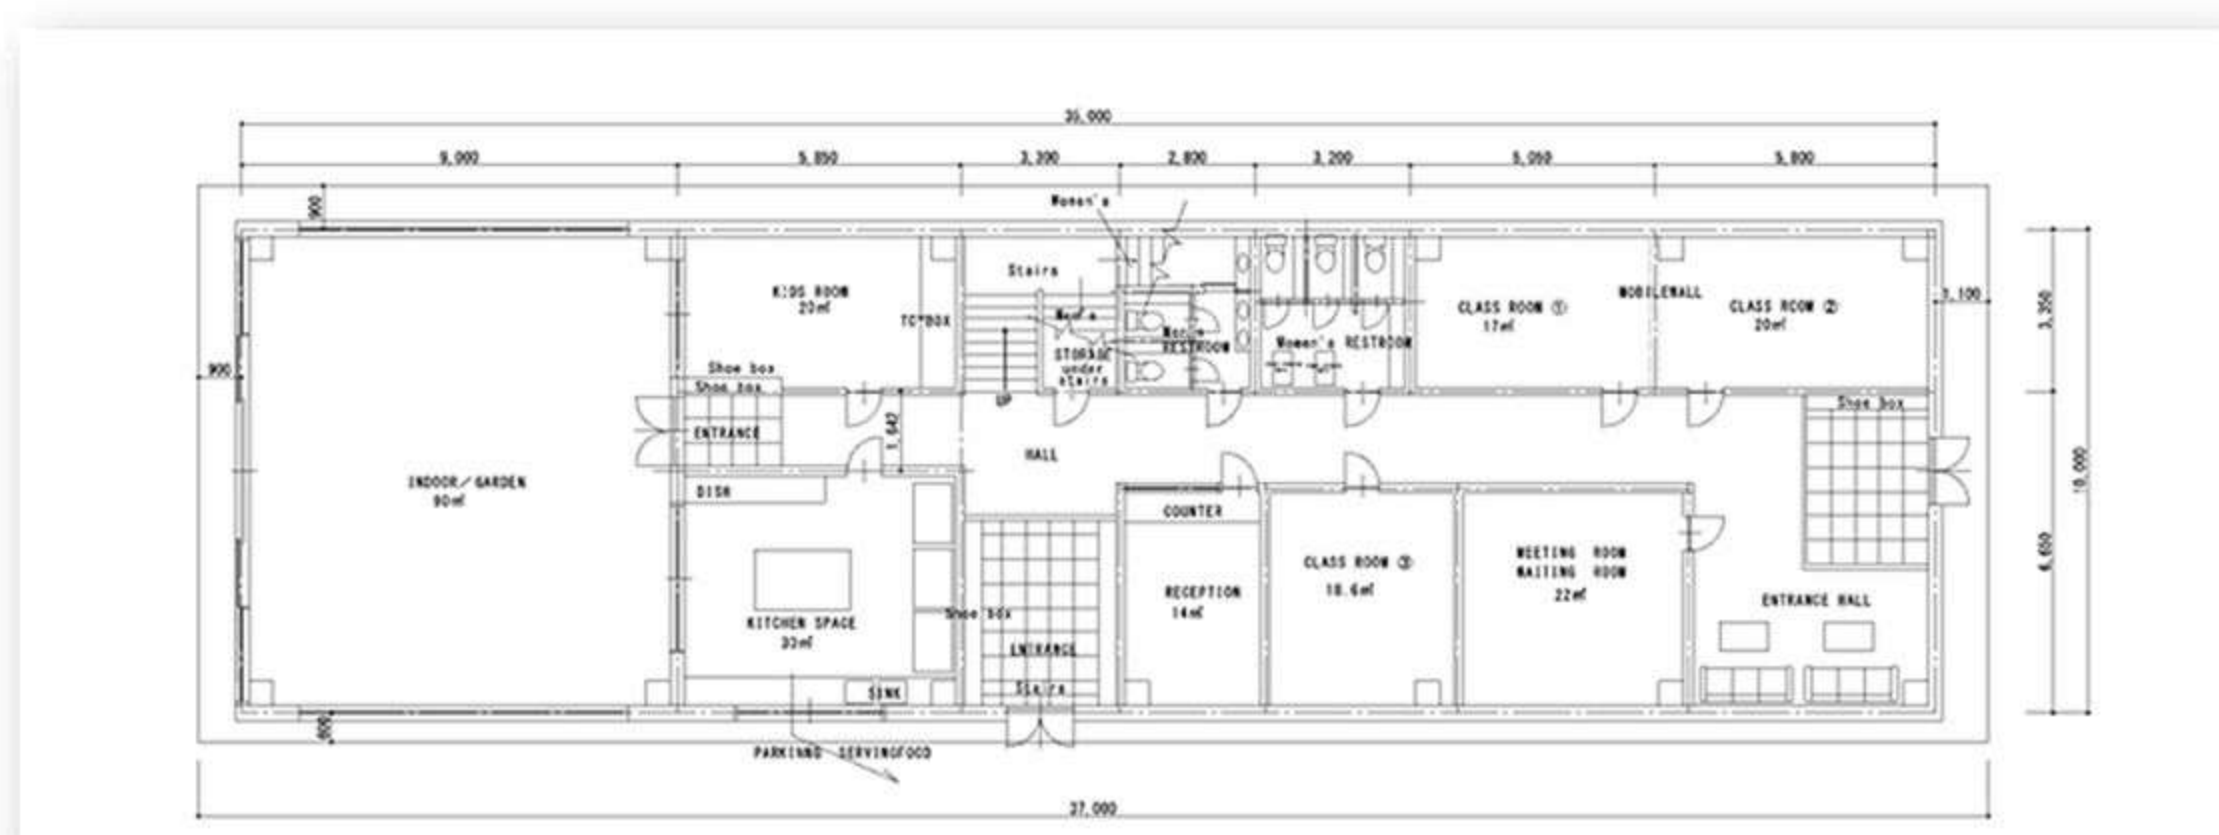

FACILITIES:

- **Prayer Hall:** accommodation for 500 people
- **Multipurpose Hall:** accommodation for 200 people, equipped with a stage, a projector, screen, and a microphone, where events, such as lectures, seminars, workshops, exhibitions, and performances can be held.
- **Library:** books, magazines, multimedia materials in various languages
- **Classrooms:** small ~ large size class of 50 seats
- **Kitchen and a dining area**
- **Washroom/Ghusul room**
- **Office & Reception desk**

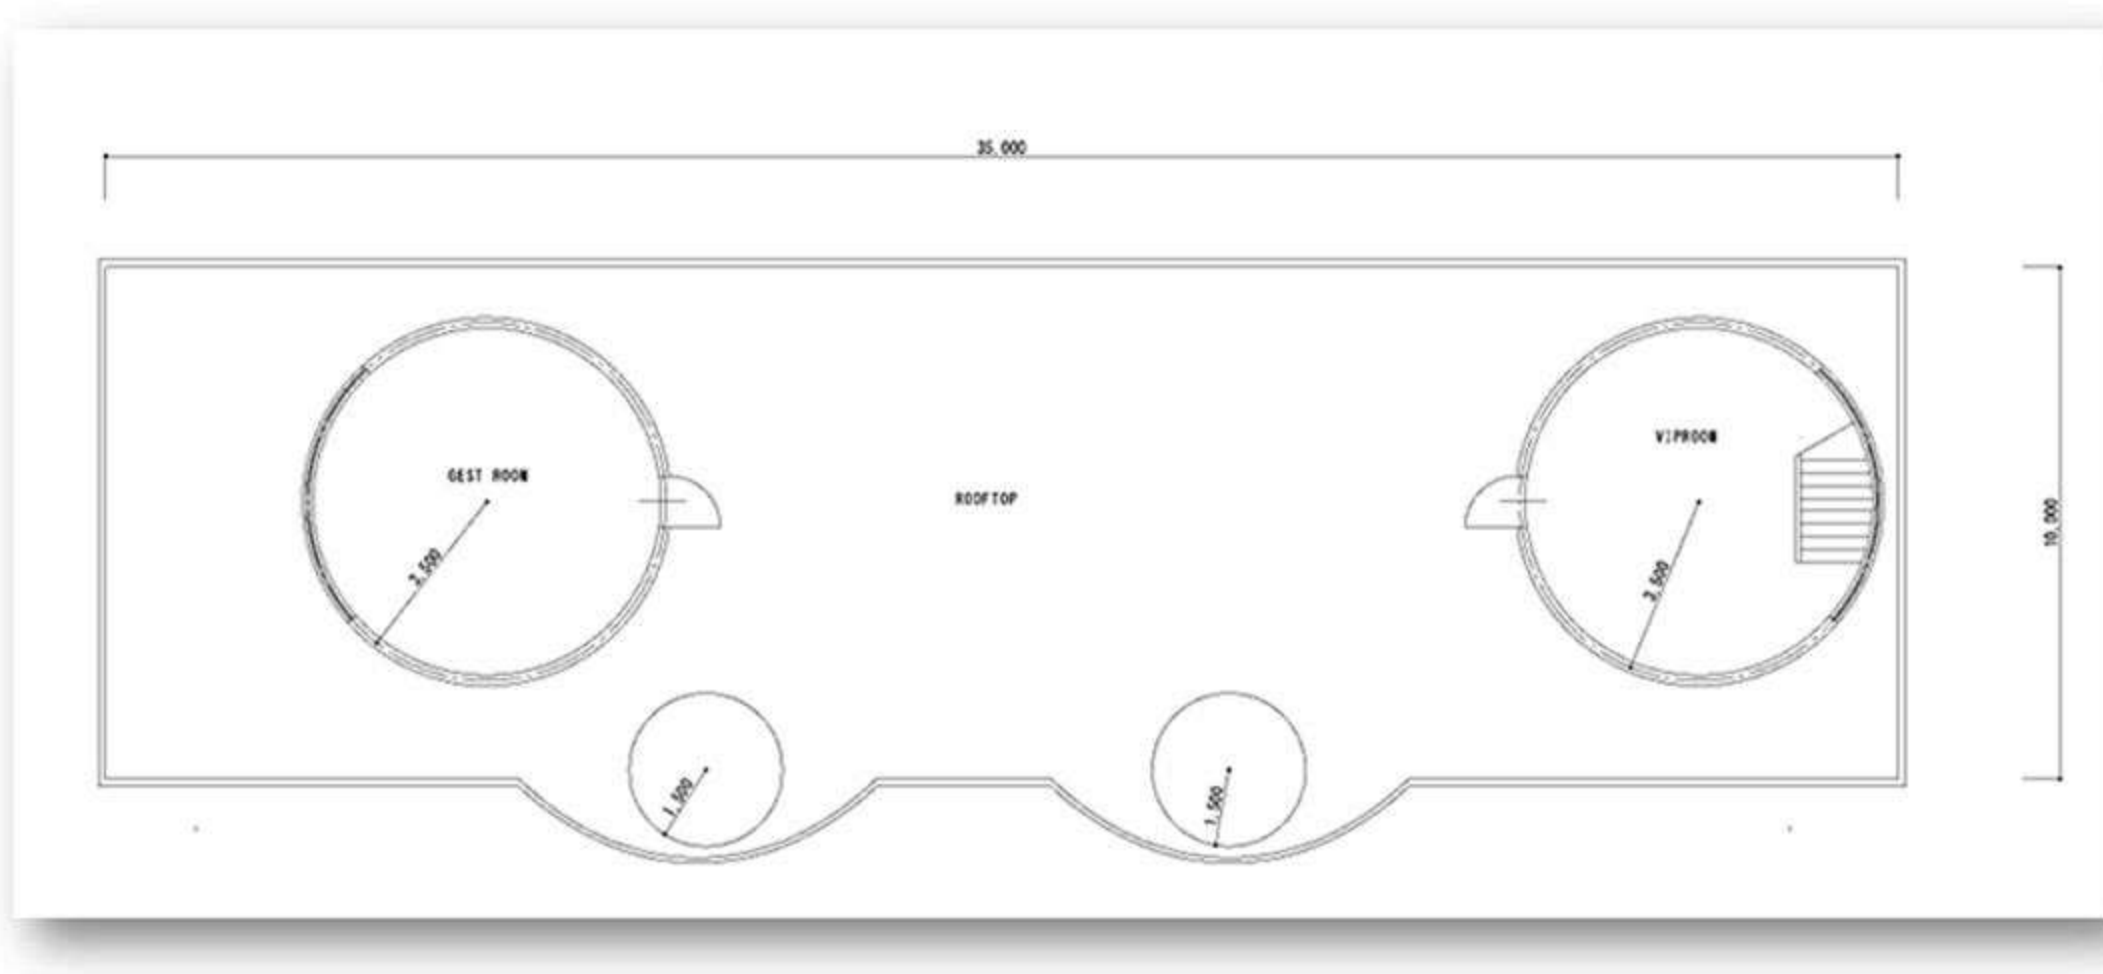

Special Feature

1. Dome & Minaret that symbolize the Islamic architecture and identity, and that can be seen from a distance
2. Japanese garden that reflects the Japanese aesthetics and harmony, and that can be enjoyed by the visitors.
3. Solar panel system that generates renewable energy and reduces the environmental impact, and that can be displayed as an example of Islamic teaching

MANAGEMENT:

A board of trustees will be elected by the members of the Masjid and will be responsible for the overall direction and supervision of the Masjid. The board will appoint a director who will oversee the administration of the Masjid and staffs including an Imam, teachers, coordinators, a secretary and a cleaner.

Volunteers are expected to play great roles in various aspects and activities of the Masjid.

IMPACT:

1. **For Muslims**

The essential place where they can practice their faith, enhance their knowledge, strengthen their bonds, and express their identity.

2. **For Non-Muslims**

The unique place where they can learn about Islam, appreciate its diversity, experience its culture, and interact with its followers.

3. **For the Society (long term impacts)**

- To increase the awareness, understanding, and respect for Islam and Muslims among the Japanese people and the wider public.

- To improve the integration, participation, and representation of Muslims in the Japanese society and the civic life.

- To foster the development, cooperation, and solidarity of the Muslim community in Japan and the region.

Achievements of Japan Dahwa Foundation

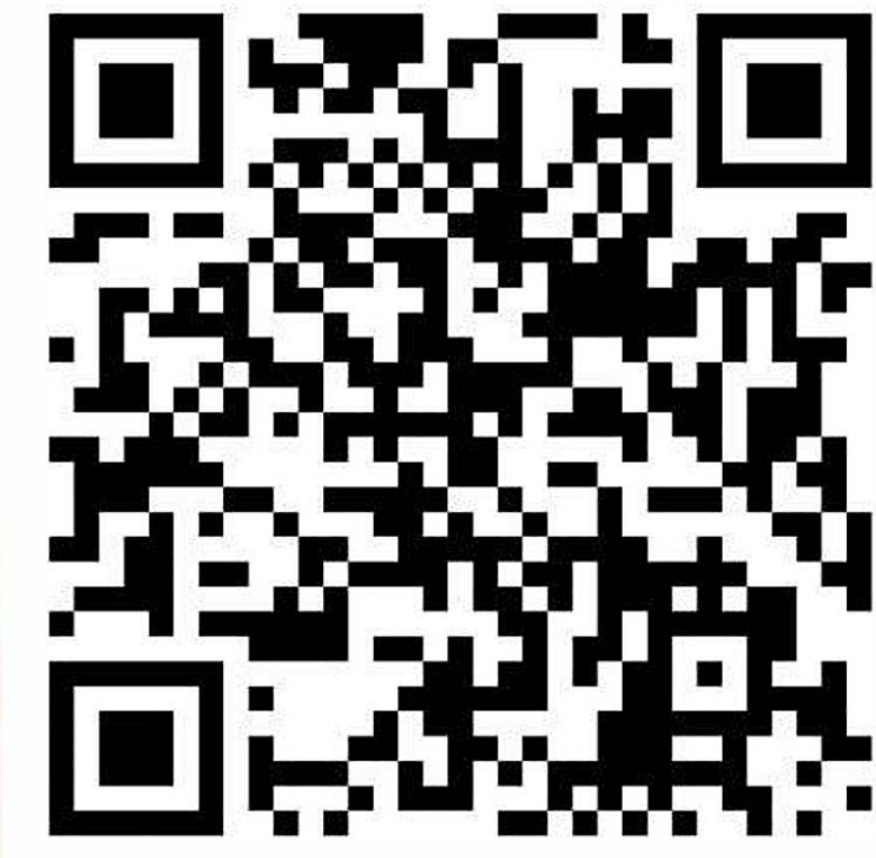

With our limited capabilities in terms of resources and personnel, great achievements have been achieved in the Dahwa scene in Japan.

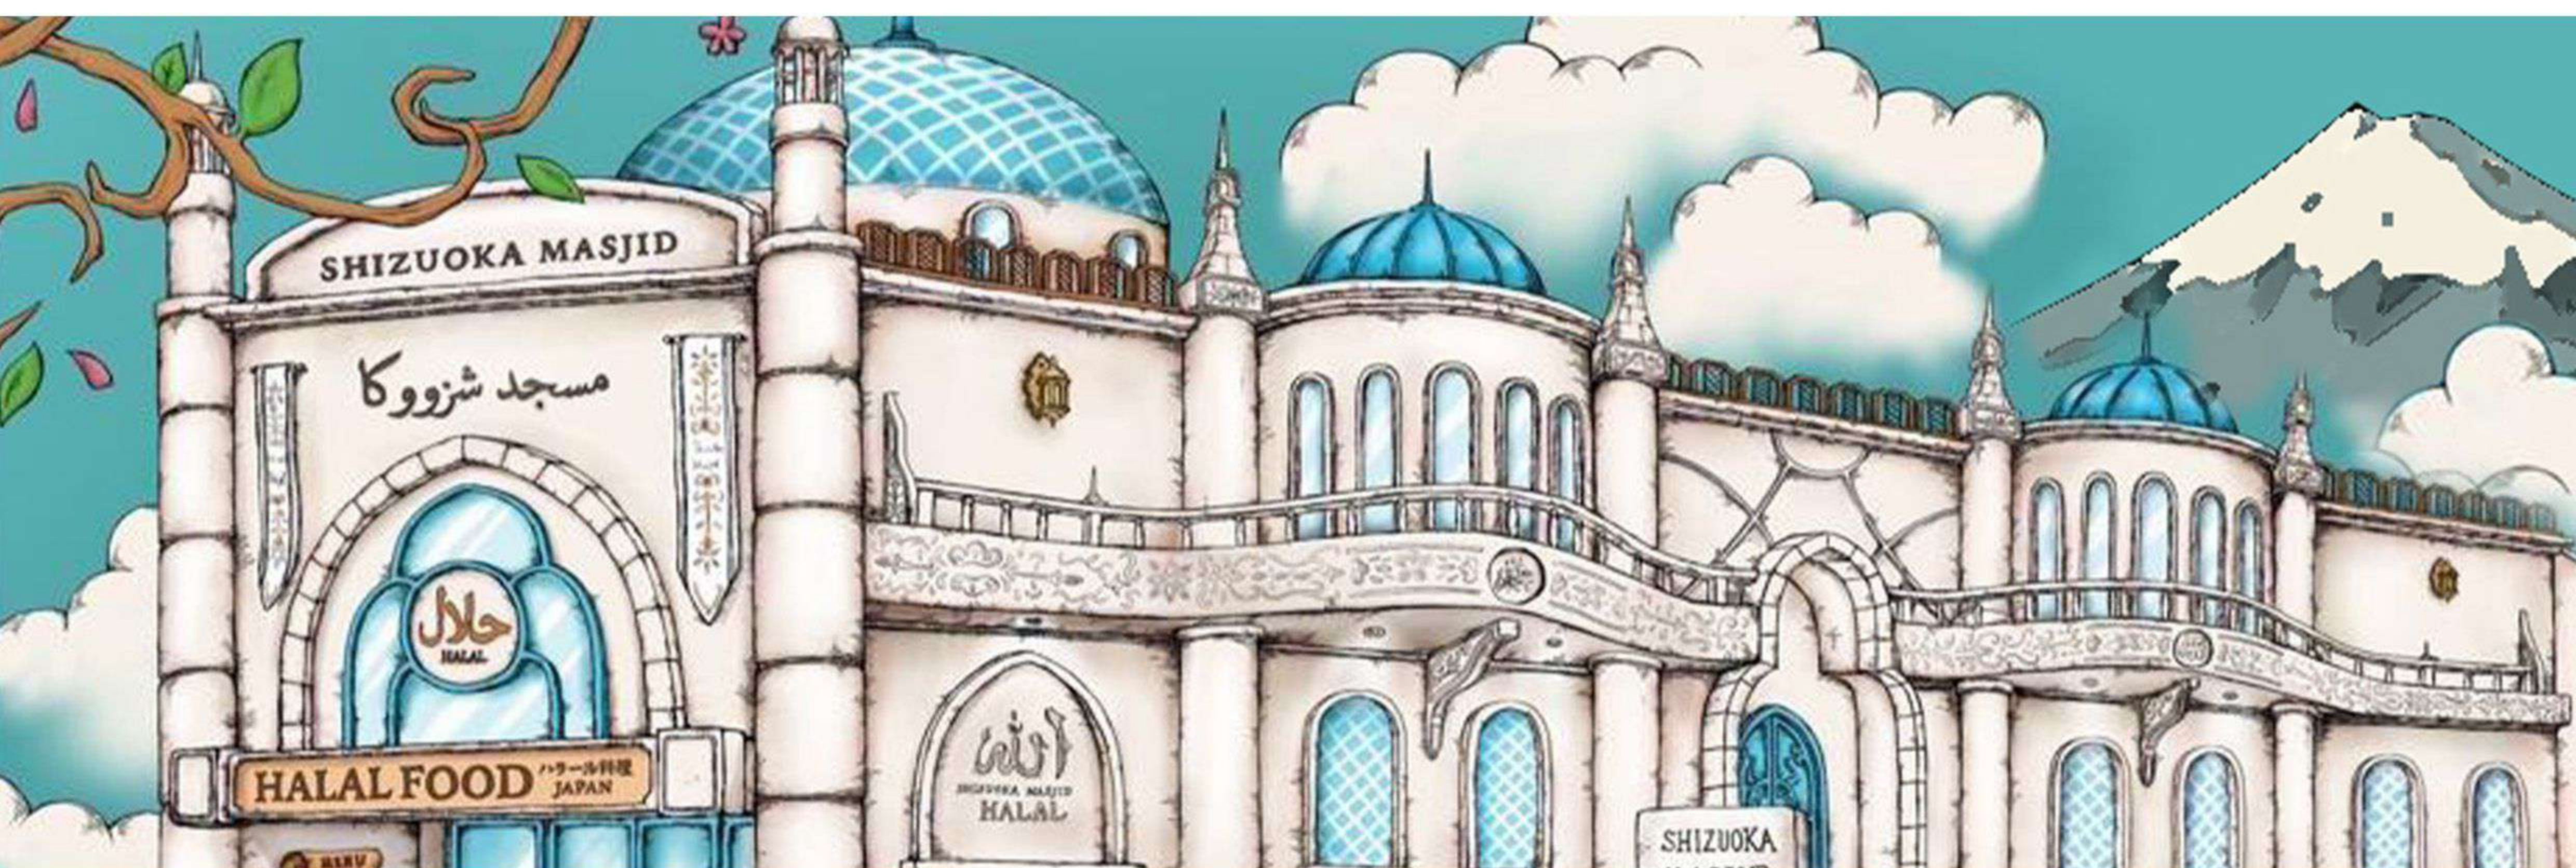

- Teaching the Holy Qur'an to children and adults
- Teaching Muslim children: a section for young children and youth.
- Cultural events open to Muslims and non-Muslims
- Series of introductory videos about Islam in the Japanese language
- Series of educational videos for Muslims in the Japanese language
- Series explaining the Holy Quran in Japanese
